

The COMBER Strand Inclusive Education and Support Services invites all colleagues to the COMBER General Meeting for a follow-up Q & A on Publishing - with Professor Ronél Ferreira

Professor Ronél Ferreira

from the University of Pretoria has been the editor of the South African Journal of Education for the past number of years. She has been promoted to full professor at the start of 2018 - at a relatively young age. She is an NRF rated researcher, has been the head of department of Educational Psychology and is a registered educational psychologist. She has received a number of research awards and also led a large number of research projects. She is a prolific publisher and supervisor.

Publishing - from the perspective of the editor of an accredited journal

Date: 23 September 2020

Time: 12:00-13h00
