

The latest SDL news...

Professor Karl Wirth from Macalester College in Minnesota (USA) is an international collaborator of the Research Focus Area Self-Directed Learning (SDL) and visited the faculty earlier this week. He presented a workshop on Self-Assessment on Monday, 4 September 2017 and another workshop on Reflective Practice on Tuesday, 5 September 2017. SDL members also had the opportunity to meet and discuss their research with him on an individual basis.

Workshop: 4 September 2017
