

# *The latest SDL news...*

In her capacity as SDL's Extraordinary Professor, Sharan Merriam from the University of Georgia (USA), visited the Research Focus Area from 8 – 22 October 2017. During her visit she met on an individual basis with SDL researchers and presented a workshop on Wednesday, 18 October 2017 to the SDL members on "*Writing for publication*". On Saturday 21 October she also facilitated a seminar for SDL's post-graduate students.

Workshop of 18 October
