The Environmental Education for Sustainable Development in Communities strand of COMBER hosted Professor Lukas Meyer, the EMELTEN-REC chairperson of the North-West University, for a webinar on 25 November. Prof Meyer addressed the research ethics applications process, the approval process and the doing of research in the new reality of living in a world with Covid-19.

COMBER would like to say thank you to Prof Meyer for his useful input and encouragement to all members on a successful research journey in the new era of Covid-19.

Die afdeling Omgewingsopvoeding vir Volhoubare Ontwikkeling in Gemeenskappe van COMBER was op 25 November die gasheer vir professor Lukas Meyer, die EMELTEN-REC-voorsitter van die Noordwes-Universiteit. Prof Meyer het die navorsingsetiek-aansoekproses, die goedkeuringsproses en die doen van navorsing oor die nuwe werklikheid van die lewe in 'n wêreld met Covid-19 hanteer.

COMBER wil prof Meyer bedank vir sy nuttige insette en sy aanmoediging aan alle lede op 'n suksesvolle navorsingsreis in die nuwe era van Covid-19.
