

FACULTY OF EDUCATION: SCHOOL OF PROFESSIONAL STUDIES IN EDUCATION

BEDHONS PROGRAMME

**ONLINE REGISTRATION FOR FULL-TIME AND PART-TIME CONTACT STUDENTS:
MONDAY 18 JANUARY – 12 FEBRUARY 2021**

ONLINE REGISTRATION PROCESS

A warm word of welcome to you as student in the BEdHons Programme offered by the School of Professional Studies in Education. May your continued study commitment remain an enriching experience. Pay careful attention to the **correct registration proceedings** of the programme. Your co-operation regarding the detail of the programme is of utmost importance.

Please take note: in order to qualify for admission to an Honours qualification and to register as a student, you need to be in possession of a four-year professional teaching degree OR an appropriate Bachelor's degree and a recognised professional teaching qualification OR a four-year professional teaching qualification(s) as well as an Advanced Diploma in a cognate sub-field of Education.

The BEdHons admission requirements are in accordance with the Minimum Requirements for Teacher Education Qualifications (MRTEQ) as published by the Department of Higher Education and Training. In addition, a student must comply with all other programme specific programme admission requirements as prescribed in the Faculty of Education's rules offering the qualification, and as contained in the faculty yearbook.

The faculty may **refuse** admission/registration to a particular qualification if the standard of competence demonstrated by a student in previous achievements in the qualification(s) in which the student wishes to pursue further study, does not comply with the faculty-specific requirements (see the 2021 Postgraduate yearbook: PGdip, BEdHons, MEd and PhD).

Educational Management and Leadership:

A PowerPoint presentation is available to **first year** BEdHons applicants **only** in the above mentioned programme that will assist students to select their specialisation. Please ensure that you view this presentation **before** registration (Also see **Addendum A**).

Due to the current COVID situation, the **contact full time** and **part time** modes of delivery BEdHons programme will **only** be taught **online** during the first semester **via eFundi**. **Addendum B** indicates whom will be the responsible lecturer per module per Campus and all module information will be uploaded on their **eFundi sites by 22 February**.

After completing the registration process as well as all other administrative matters, you are expected to start with your studies **immediately** (self-regulated study according to your study guides).

Thank you for your kind co-operation and best wishes for your BEdHons studies.
