Registration Guide

For which modules should I register?

After having accessed the **link above**, find the PowerPoint or video that provides **guidelines** on the modules for which you should register (see dropdown list under Curriculum control and registration).

Now register for these modules.

Follow the link below and register for your modules for this year: <https://studies.nwu.ac.za/studies/registration> (remember that it is your responsibility to register for the correct modules).

Do you need assistance?

On the page provided by the link above, you will find a space where you can **make a booking** to discuss your registration with a programme coordinator or administrative personnel.
