

Congratulations to Prof Josef de Beer who received the esteemed **NRF award for excellence in Science engagement** on Thursday 12 September 2019 at the prestigious event in Somerset West. The attendees of the NRF award ceremony included the leadership of South African Universities, Science Councils, Research Institutions and Academies, Relevant Government Departments, Ambassadors of partner countries and industry. Prof Refilwe Phaswana-Mafuya and prof Lloyd Conley both attended this meeting. We are very proud of this outstanding achievement.

Baie geluk aan prof Josef de Beer wat op Donderdag 12 September 2019 die **NRF award for excellence in Science engagement** by die vername geleentheid in Somerset-Wes ontvang het. Die deelnemers aan die NRF-toekenningsgeleentheid het die leierskap van Suid-Afrikaanse Universiteite, Wetenskaprade, Navorsingsinstellings en Akademies, Relevante Regeringsdepartemente, Ambassadeurs van vennootlande en die industrie ingesluit. Prof Refilwe Phaswana-Mafuya en prof Lloyd Conley het albei hierdie vergadering bygewoon. Ons is baie trots op hierdie uitstekende prestasie.

NRF Awards
